

EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money.

Virginia energy saving program offerings are funded by the Virginia Conservation and Ratemaking Efficiency (CARE) Plan.

GROW YOUR BUSINESS AS A WASHINGTON GAS SERVICE PROVIDER

“Our success is due in part to collaboration with Washington Gas... We look forward to continued participation in the program for years to come.”

—Spectrum Energy

WHAT ARE THE BENEFITS TO YOUR COMPANY?

Receive 1:1 support from our Washington Gas Energy Advisors. They'll work with you to identify projects, submit applications, and help you take advantage of our sales and marketing toolkit available exclusively to participating Service Providers.

HOW WILL YOUR BUSINESS BE RECOGNIZED?

As a part of the Washington Gas Service Provider network, your business can earn special recognition that can be used to grow your business.

ANNUAL RECOGNITION

Your contributions to the program can earn your business a Washington Gas Service Provider Award. Winners are recognized with certificates, exclusive marketing tools and resources and special promotion in a Washington Gas press release.

SERVICE PROVIDER ADVISORY BOARD

Award-winning service providers are also invited to serve on the Washington Gas Service Provider Advisory Board. The Board meets quarterly to suggest program improvements, offer industry insights, and connect with other members. Other perks include advance notice of upcoming limited-time offers and changes to program requirements.

MID-YEAR PERFORMANCE METRICS

See your program performance mid-year in a user-friendly snapshot. Your snapshot provides you with a view of your program participation over the year(s) so you can showcase the value you have achieved for your business and your customers.

WHO IS AN ELIGIBLE SERVICE PROVIDER?

Contractors, distributors, energy service companies (ESCOs), architects, engineers, and other companies that provide energy efficiency services to commercial customers in the Washington Gas Maryland and Virginia service territories.

HOW DO YOU JOIN?

Follow these simple steps to complete your application and we'll be in touch. Please note only one application should be submitted per company. To check if your company is already enrolled, visit: www.wgsmartsavings.com/ServiceProvider.

GET STARTED

Complete a Service Provider application by visiting the online Application Center portal at www.wgsmartsavings.com/Apply and agree to all Terms and Conditions.

1. Select the state(s) in which you want to be a participating Service Provider.
2. Enter all required information, including contact and company details, what kind of services your company offers, and counties or states served.
3. If your company provides installation services, additional information such as equipment serviced, license numbers and expiration dates, and insurance details are required. You will be asked to regularly update this information to remain in good standing with the program.
4. Participate in our next training, download the marketing and sales toolkit and help your business and customers start saving!
